Please return this form.

Volunteer information as well as volunteer jobs needing to be done are available on our web site (www.rchs.on.ca – Volunteers). Please check the web site regularly if you are looking for an area to help with.

Volunteers make a tremendous impact on Redeemer by enriching the school program, reducing costs and building a strong sense of community between students, staff and parents/guardians. To recognize and encourage this valuable contribution, a service point system was approved at the 2006 spring membership meeting. To enable us to administer the volunteer program please find attached:

1. Volunteer Interest Sheet

Please complete this sheet.

2. Redeemer Christian High School, 2013-2014 Service Points Record

Please read the Service Points Record to see how it impacts you and use it to track your points so that you get appropriate credit at the end of the year.

On Registration Day, we will collect your “Volunteer Interest Sheet”.

Volunteer Service Points Goal per family is 750 points (or 30 hours). Single parent family’s goal is 375 points (or 15 hours). All volunteer service points count! If your family has achieved 750 points by June 30, 2013, your \$500 Volunteer Service Points cheque will be returned to you after June 30. If your family has achieved less than 750 Volunteer Service Points, you will receive credit for points achieved and will be asked to submit a new cheque to the school after June 30, 2014. Once received, your original \$500 cheque will be returned to you. If your “Service Point Record” is not returned we will cash your cheque.

Parents/guardians can find out about volunteer opportunities by checking our web site (www.rchs.on.ca) As well, participating in class trips, driving to school sports and tournaments, and helping at school functions all qualify. See the “Volunteer Interest Sheet” for the many opportunities there are to volunteer.

By June 30, 2014 families return a completed Service Point Record to the school.

Your \$500 cheque will be returned after June 30 if the requirements have been fulfilled and a Service Point Record has been submitted to the school.

How to Achieve Service Points?

Refer to the Principal a new family, not on the prospect list, to enrol their child: points obtained upon enrolment	750 points
